Software Developer

3rd year Software Engineering student who builds efficient web applications and analyzes complex systems. With a strong foundation in full stack web development and a passion for scientific data analysis, I enjoy translating abstract problems into reliable, scalable digital solutions.

01 Education

University of "Džemal Bijedić" in Mostar: Faculty of Information Technologies 10.2024 – Present

Relevant Coursework: Web Development, Object Oriented Programming, Relational Databases, Analysis and Software Design.

University of Maribor: Faculty of Electrical Engineering and Computer Science 2.2026 – 7.2026

Non-Relational Databases, Information Security, Computer Graphics, Project Management. (Erasmus+ Mobility Program)

Highschool of Electrical Engineering "Salih Salko Ćurić" Mostar 2020 – 2024

Basics of Electrical Engineering, C++, C#, Java for Mobile Development.

Thesis: *"Web application for data analysis of genetic code and protein modeling"*

02 Experience

BH Futures Foundation 2023 – Present

I am now an alumni scholar of BHFF, where I built my teamwork, communication and collaboration skills – I designed social media posts, and merch for the Futures Leaders Summit 2026.

Graphic Designer 2020 – Present

Worked with many organizations designing for socials, print posters, books and magazines, and UI/UX for apps and websites.

Nix.ba 10.2024 – 2.2026

Founded a student startup project "Nix.ba" – an e-commerce platform for the Bosnian market with online bidding functionality. I focused on business development and product innovation.

HTEC Scholarship 11.2025 – 9.2026

Through the scholarship, I gained valuable mentorship, new connections, and opportunities to grow. It inspired me to give back to my community, and continue building a better future.

ZIRA Group Scholarship 11.2024 – 5.2025

The ZIRA Scholarship gave me the courage to step outside my comfort zone and pour my energy into building my startup. It sparked the confidence to push further, give more, and truly show up for what I believe in.

02 Experience

Board of European Students of Technology 2.2025 – 12.2025

Was a member of BEST Mostar as Design Team Coordinator.

IT and English Tutor 2025

I volunteered to teach high-school and 1st year bachelor students the basics of C++ and conversational English language.

UMID 18 Youth Leader Training 2024 – 2025

UMiD is a one-year training, an incubator for young leaders active in the democratic society.

Youth Ambassadors of Non-Formal Learning 12.2023 – 11.2025

YAMNFL2 aims to build the capacities of youth and enhance their the employability through innovative methodology. – Podgorica, Cagliari, Thessaloniki.

Red Cross Youth Mostar 2021

Was a member of the Red Cross Youth of the city of Mostar where I learned many valuable life-saving skills.

03 Projects

User's Data Encryption with NodeJS & MySQL 2026

Full-stack authentication system which implements industry-standard security practices for user registration and login, with a focus on secure password storage using bcrypt.

StreamGene DNA Tool 2024

Online gene analysis tool built using Python Streamlit for DNA complement calculation, transcription, translation, and 3D protein structure prediction using META's ESMFold AI model. Live at streamgene.streamlit.app.

Redesign of School Website 2023

Redesigned the official school website and user experience with Laravel, PHP, and TailwindCSS: etsmostar.edu.ba

04 Skills

- **Languages & Frameworks**
  - Python, R, C++, C#, Java, JavaScript/TypeScript, HTML, CSS, NodeJS, MATLAB
- **Databases & Tools**
  - MySQL, GraphQL, Git, DataGrip, Jupyter
- **Data Scinece**
  - Streamlit, NumPy, SymPy, RNA-seq Differential Analysis in R, bash
- **Design**
  - Adobe Creative Suite, Figma, Blender
- **Soft Skills**
  - Leadership, Problem Solving, Adaptability, Teamwork, Time Management

05 Languages

- Bosnian/Croatian/Serbian Native
- English C1
- French A2
- German A1

06 Certification

- Microsoft Excel
- EF SET English Certificate C1
- Goethe-Zertifikat A1
- Relational Database Modeling

07 Awards

- FIT Coding Challenge 2025
- IT Challenge Maglaj
- 1st Place – S.T.A.R. Challenge 2023
- 1st Place – Philosophical Essay on Human Rights
- International Design Thinking Workshop BS ITECH Hamburg
- FIT Coding Challenge 2022
